Dear Marshal Polak,

I hope this letter finds you well. After reaching out to Dr. Eduardo Padron, President of Miami Dade College (MDC), I was contacted today by Ms. Tatiana Mackliff, Executive Director of International Education in Miami Dade College (MDC). Her contact information is the following:

Tatiana Mackliff
300 NE 2nd Ave. | Suite 5520 | Miami, Florida 33132
T: (305) 237-7245

Ms. Mackliff informed me that MDC is interested in exploring the creation of an exchange program between our nations through an educational platform. She is looking forward to hearing from you or someone assigned by you. As noted on their website, www.mdc.edu. "Miami Dade College is the largest institution of higher education in the nation. It changes lives through accessible, high-quality teaching and learning experiences. The College embraces its responsibility to serve as an economic, cultural and civic leader for the advancement of our diverse global community."

I have forwarded your information to Ms. Mackliff as well. Please know that I am available to facilitate any further information or contact you may need. I look forward to hearing about the developments of this great program.

Sincerely,

Wilfredo (Willy) Gort
